

*The Indiana Yearly Meeting Evangelism and Outreach Committee has encouraged the development of a curriculum for use by Friends churches in Indiana Yearly Meeting to introduce new attendees to Quakerism in general and Indiana Yearly Meeting in particular. This series, IYM Quakers, has been developed with this in mind.*

*Written by Doug Shoemaker, General Superintendent of Indiana Yearly Meeting, this curriculum is now available free of charge to any church wishing to use it as a tool to help new-comers as well as long-time members review and discuss what it means to be an IYM Quaker.*
