

DOES YOUR MEETING/CHURCH help send children and youth to Quaker Haven Camp each summer? Does your Meeting pay for part or all of the costs?

Send Kids to Quaker Haven

In 2009, the Indiana Yearly Meeting Evangelism & Outreach Committee will help your Meeting send your own children and youth (up through high school age) to Quaker Haven Camp.

The Committee will also assist financially in your sending non-churched kids from your community to QHC. Use this as an **OUTREACH TOOL**. This is to encourage initiative in local Meetings to develop outreach ministries.

Your Meeting must pay the appropriate Camp fees in advance. Then at the close of the summer camping season, submit to E&O a request for reimbursement of one-half of what your Meeting has paid.

Quaker Haven or bust

This **Growth Grant reimbursement** request should reach the Clerk of E&O by the mid-August meeting of the E&O Committee, if at all possible. In this request, show the number of your own and of non-churched children/youth who have gone to each camp session, the amount you paid for each camp session, and the total amount which has come from your Meeting treasury.

GROWTH GRANT

GIFT GRANT

BOTH GRANTS

The **PURPOSE** of **Growth** Grants:

1. to stimulate an **Outreach** mindset within the local Meeting
2. to encourage initiative in local Meetings as they develop outreach
3. to deepen understanding of ministry and evangelism

In your **Objective**, please state your practical target group for outreach, quantitative estimates, a time frame and ways to effectively evaluate progress toward your goal.

State the amount for which you are asking E&O to give as an Outreach Growth Grant.

Show how your group will be matching this amount from your funds.

A **progress** and an **end report** are expected after your Meeting receives an Outreach Growth Grant.

Currently (2008-2009) the annual limit of an Outreach Growth Grant is **\$3,000**.

An **Outreach Growth Grant** can not be awarded to a Meeting more than 3 years in any 5 consecutive year periods.

The **PURPOSE** of the E&O **Gift Grants** is to support churches in:

1. Building Strong, Healthy local Meetings
2. Discipleship of New and Existing Members and Attendees, and
3. Leadership Development

The purchase of such things as physical equipment and for capital improvements that support the above **PRIORITIES** would be considered for funding through a Gift Grant.

The **GIFT GRANT FUND** has come from the sale of the Dayspring Friends Meeting property near Muncie. It is therefore very limited. Currently (2008-2009) the annual limit of a Gift Grant is **\$2,000**.

A **Gift Grant** can not be awarded to a Meeting more than 3 years in any 5 consecutive year periods.

A **progress** and an **end report** are expected after a Meeting receives a Gift Grant.

Don't forget to state the amount for which you are asking E&O to give as a Gift Grant.

Please make **GRANT REQUESTS** on Meeting/Church letterhead.

Requests must be **signed by the Monthly Meeting Clerk** to assure the E&O Committee that the project has the full approval of Monthly Meeting.
